WHERE PEOPLE MAKE THE DIFFERENCE

Winkler is one of the fastest growing cities in Manitoba with a population that currently exceeds 10,000. The city was named after Valentine Winkler, an enterprising pioneer, who owned the land on which Winkler is situated. Development of the area began in 1892 as the land was surveyed into lots. Businesses were established and more people began to settle the area. In 1906 Winkler was incorporated as a village.

Winkler continues to harvest the benefits of its dynamic economy based on a unique blend of mixed agriculture, modern commerce, and a diverse industrial sector.

The recreation facilities in Winkler are continuing to develop, offering a wide range of activities for all ages. Winter activities include bowling, curling, and hockey. Winkler's aquatic centre, tennis courts, golf course, parks, campgrounds, and baseball diamonds provide summer recreation.

The City of Winkler thrives on working together to make a difference. The people give this community a welcoming atmosphere for visitors and make it an enjoyable place to live and work. The people of Winkler thank you for visiting our city and hope you enjoy your stay. May you also see that Winkler is a city "Where People Make the Difference."
